Developer:
Hayo van Reek
Publisher:
Clickteam
Release Date: 3 Aug, 2018

English

roving in the dark download. roving in the dark download. roving in the dark. roving in the dark

I think this game is overpriced for what it offers. Though I did buy it this sale for 1.80u20ac or something i just didnu00b4t really enjoy it, but im sure someone else will. It just seems lackluster in general and the gameplay too simple. Love the idea and hate to give it thumbs down - would have given it a neutral if possible. Thx for making the game though..
